

# Discover Belize

Still relatively unexplored as a sailing destination, Belize marries azure waters, hundreds of idyllic islands, and the world's second-largest barrier reef with a fascinating, culturally rich heritage. The trade winds typically blow in from the east, ensuring the ultimate sailing conditions to navigate north or south along the coast.

Set your sights on new horizons daily, including three of the four major atolls in the Caribbean, while your crew takes care of your every need: Preparing and serving gourmet hors d'oeuvres and exotic libations, catching seafood for your dinner (did someone say lobster?), launching kayaks, taking you snorkeling, and so much more!

Or head to a laidback island like Caye Caulker and walk barefoot on sand streets to colorful wooden beach bars and dine on the freshest catch of the day.

Sit back, relax, and make the most of a fantastic, resort-style getaway island-hopping to a plethora of white-sand cays.

# TRANQUILO

FP Saona 47

Intelligently designed to maximize entertainment and living spaces, Tranquilo – a 47 ft. Fountaine Pajot Saona – is a fast and spacious catamaran perfect for active families with teenagers or groups of friends who wish to sail in style. Tranquilo features four queen cabins and a fifth bunkbed cabin, each equipped with air-conditioning and ensuite facilities.

She boasts a dynamic, modern salon flooded with plenty of bright natural light by large windows and a well-appointed galley with an island bench ideal for storage. Designed for entertaining, the expansive open-plan cockpit includes an integrated barbecue grill and an innovative new tender lift that doubles as a swimming platform. Its foredeck is outfitted with a decadent sun lounger, while the extensive lounge deck is a heavenly retreat to relax and soak up the Caribbean sun and panoramic surroundings.

With its striking design, minimalist yet timeless elegance, and powerful performance, Tranquilo exudes a magnetic aura under sail or at anchor.
